Description: Create a painting while learning facts about the world's most famous artists in “More Than a Painting” art class.

Are you ready to paint something bright and cheery? Join Nancy Mitchell for "More Than a Painting" art class. Each class will be painting in the style of Vincent Van Gogh. Registration for each class is \$40/SCHF members and \$45/Non-members.

Classes suit both artists and beginners. Nancy Mitchell believes anyone can learn to draw and be creative. However, in today's world not many people have time for weekly art classes. Each three hour class is based on a painting she designs to mimic the style of a renowned artist. The step-by-step process enables each student to recreate the painting, adding their personal style. Students also learn basics about composition and color mixing.

In addition to artist facts and a touch of art history throughout the lesson, students receive a handout on the artist. The students leave with a finished art piece to hang in their home at the end of their class.

Nancy Mitchell has been teaching art for 34 years. As an educator and artist, she practices a variety of media including basic drawing, batik workshops and charcoal.
